Section 1502 requires companies that make products for which 3TG minerals (tantalum, tin, tungsten, and gold) are necessary to the functionality or production of that product to assess their supply chains and publicly report on the source of these minerals if they are sourced from the Democratic Republic of Congo (DRC) or an adjoining country or if they are from recycled or scrap sources.

Therefore, we are requiring that our suppliers comply with the Dodd-Frank Act concerning the Conflict Minerals Tantalum, Tin, Tungsten, and Gold. Evidence of the origins of sources of any use in any amount of these "Conflict Minerals" in our supplier's product shipped to HABCO INDUSTRIES LLC is prohibited.
